

The Reverse Engineered Party Plan

- 1 End goal - happy, healthy 6 year old who goes to sleep with a smile on his face still wearing his superman suit.
- 2 Put superman to bed
- 3 Clean house
- 4 Say good-bye to the last guest
- 5 Free play in the back yard
- 6 Serve Cake & ice cream
- 7 Sing Happy Birthday
- 8 Light the candles
- 9 Have him give out his gifts to each friend
- 10 Play twister in the grass - make each circle and the superhero spinner from different superhero symbols
- 11 Play pin the cape on the superhero
- 12 Take pictures of all the kiddos in their costumes
- 13 Show old Batman and Robin episodes on the TV while guests arrive
- 14 Ready, set, time for guests
- 15 Set out the cake, plates, and beverages
- 16 Do one last pick up of any messes in the house
- 17 Make sure superman & the rest of the family are dressed, including me
- 18 Set up the games
- 19 Decorate the party area
- 20 THE DAY OF
- 21 Pick up the cake
- 22 Buy superhero paper goods, a couple extra costume's in case some one forgets theirs, supplies for the games, candles, etc.
- 23 Call anyone who has not RSVPd to see who is coming & post reminders in the FB event
- 24 Let the neighbors know there may be cars parked in front of their houses for a few hours
- 25 Make decorations
- 26 Order the cake
- 27 Create a FB event to help people remember to RSVP
- 28 Make and send the invitations
- 29 Reverse Engineer: Define the plan
- 30 Dream up the perfect party
- 31 Party Purpose Outline: who, what, when, where, why and how

The Party Plan in Step by Step Order - After Reverse Engineering

- 1 Party Purpose Outline: who, what, when, where, why and how
